

어 장 연 락 도

축척 = 1:25,000

A horizontal scale bar with tick marks. The labels above the bar are 250, 0, 1,250, and 2,500m. The bar is divided into segments: a small segment for 250m, a larger segment for 1,000m (from 250 to 1,250), and another segment for 1,250m (from 0 to 1,250). The total length represents 2,500m.
